NEW BUSINESS: The Communication Commission will not meet in December. The next meeting will be on Monday, January 6th at 7 pm. In January, the Commission will be discussing the next New Resident Mixer. One idea for the mixer would be to have a pool party for the new residents prior to the official opening of the pool season. The event would give new residents the opportunity to use the pool and possibility join for the season.

OLD BUSINESS: The Communication Commission will meet the first Monday of each month at 7 pm.

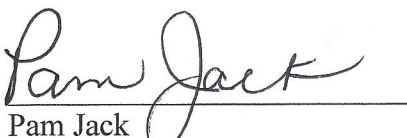

FALL FESTIVAL: Pam Jack shared that she would like to see a Village Booth rather than just a Communication Commission Booth next year at the Fall Festival. A Village Booth could include Zoning Information, Amenities, Council Members, Stormwater Information and the opportunity to answer Village questions. Over half the households in Lake Park are now members of E-notify. Since July 4th when we started the E-notify sign-up campaign, 50 residents' have signed up for the program. Six t-shirts were sold.

MEETING AJOURNED: Sharon Williams made the motion to adjourn. Nicole Bell seconded the motion. Vote – Unanimous.
